OR

Thesis Review Deadline 2) if the student WILL register for classes in the semester s/he will graduate in, s/he needs to meet the REGISTRATION REQUIRED THESIS REVIEW DEADLINE.

NO REGISTRATION REQUIRED THESIS REVIEW DEADLINE: Date by which a graduate student must 1. successfully pass the final oral exam and 2. complete a thesis review with the Thesis Editor in order to graduate at the end of the current semester, without the necessity of registering for classes in the current semester. For students that meet this deadline, the final error free file is due by the Registration Required and No Registration Required Final ETD Deadline (see below).

REGISTRATION REQUIRED THESIS REVIEW DEADLINE – Date by which a graduate student must 1. successfully pass the final oral exam and 2. complete a thesis review with the Thesis Editor in order to graduate at the end of the current semester.
