1 Instruction

1.1 Teaching

Teaching assignments

List below the courses you have been assigned to teach for the period under review.

Course	Enrollment	Course	Enrollment
Fall 2007		Spring 2008	

Additional courses

List below any additional course you taught in the Department during the period under review. Indicate the type of those courses (Summer courses, reading courses, distance learning, etc).

Course	Semester	Enrollment	Type	Course	Semester	Enrollment	Type

1.2 Advising and Supervision

(a) Thesis and dissertation advisor: students, time commitment (hours/semester), support (TA/RA), and expected graduation date.

	Name	Time	Support	Expected Grad
MS				
Students				
PhD				
Students				

(b) Graduate Advising and Supervision: List the number and time commitment (hours/semester) of MS and PhD committees you served on for students other than your own advisees. Also list the number of TAs you supervised.

	Number	Time
MS Committees		
PhD Committees		
TAs Supervised		

(c) Activities and time (hours/semester) related to undergraduate advising, supervision of undergraduate projects, and organization or advising of undergraduate clubs or activities.

Activities	Number	Time	Details
Undergrad Advisees			
Projects Directed			
Organizations Advised			

(d) Postdoc supervision: List the Postdoc(s) you supervised: provide name, time commitment (hours/semester) and duration of supervision

Name	Time	Duration

(e) Summer Research programs: Describe your activities related to the REU (Research Experience for Undergraduate Students), REG (Research Experience for Graduate Students) programs in the Department and/or the CRSC/SAMSI graduate modeling workshop.

1.3 Other Activities Related to Instruction

(a) Curriculum development.

(b) Funded grants related to teaching.

(c) Teaching related workshops/conferences which you organized or with which you had major responsibilities.

(d) Course coordination.

(e) Peer review (either by you or of you).

(f) Presentation of talks or publication of papers concerned with teaching.

(g) Texts (other than research monographs). Indicate if published, accepted or submitted.

(h) Participation in organizations, institutions, national societies, etc., that are directly related to promoting good teaching.

(i) Other pertinent information. (e.g., teaching awards or honors; participation in student honor societies; non-research mentoring of postdocs, community outreach, courses taught other than at NCSU; membership on student admissions or awards committees; participation in curricula outside the department; supervision or coordination of computing labs; visits to primary and secondary schools; judging science fairs; administration of mathematical contests; directing summer mathematics camps; writing letters of recommendation.)

2 Research Activities

2.1 Publications

(a) Papers published in refereed journals during this report period (title, co-authors, journal, volume number, date, page numbers).

(b) Papers accepted by refereed journals during this report period and awaiting publication (title, co-authors, journal, number of pages).

(c) Papers submitted to refereed journals during this report period and currently being refereed (title, co-authors, journal, number of pages).

(d) Refereed articles not in journals (e.g., conference proceedings) published during this report period (title, co-authors, where published, number of pages).

(e) Refereed articles not in journals (e.g., conference proceedings) accepted for publication during this report period (title, co-authors, where to be published, number of pages).

(f) Refereed articles not in journals (e.g., conference proceedings) submitted for publication **during this report period** (title, co-authors, where submitted, number of pages).

(g) Other publications: abstracts, technical reports, unrefereed papers.

(h) Research Books.

2.2 Grants and Contracts

(a) Grants or contracts initially funded during this report period with you as PI or Co-PI (title, Co-PI's, agency, value, period of contract).

(b) Grants or contracts applied for during this report period with you as PI or Co-PI and either still pending or not funded (title, Co-PI's, agency, value, length of contract) and status (pending, not funded).

(c) Previously awarded grants or contracts with you as PI or Co-PI that were active during a portion of this report period (title, Co-PI's, agency, value, length of contract).

(d) Grants or contracts active during a portion of this report period where you are a participant but not a PI or Co-PI.

(e) Graduate (or undergraduate) students or postdocs you supported with Research Assistantships from external funding (name of student and when supported).

2.3 Meetings, Seminars and Workshops

(a) Local NCSU (periodic) Seminars in which you had organizational responsibility.

(b) Sponsored workshops/conferences at NCSU in which you organized or had major responsibilities.

(c) Research related conferences, programs, or special sessions external to NCSU where you had significant organizational responsibilities.

(d) Meetings attended and papers presented (place, type of event and dates).

(e) Invited talks given (place, type of event and dates). Talks given in sessions in which you had significant organizational responsibilities should be listed as contributed under (d).

(f) Presentations in local (NCSU) seminars.

2.4 Other Research Activities

(a) Refereeing of journal articles, conference proceedings, reviewing proposals, and funding agency panels.

(b) Book, article and math reviews.

(c) Editorial responsibilities for professional organizations.

(d) Any other research activities not specified above.

3 Departmental and University Service

(a) Administrative duties. Briefly describe those duties and estimate the number of hours spent on each.

(b) Committee Service (Academic Year 2007-2008). Please indicate if you were chair (Y) then approximate the level of your activity and time as follows low = 1-5 hours per year, medium = 6-15 hours per year, high = 16-25 hours per year. If time spent greater than 25 hours per year, then enter your estimate of the hours spent.

	Committee Name	Chair	Time spent
Departmental committees			
PAMS committees			
University committees			

(c) Efforts and activities in student recruitment at the undergraduate level.

(d) Efforts and activities in student recruitment at the graduate level.

(e) Professional service external to NCSU. (Please indicate approximate level of your activity and time commitment.)

(f) Any other Departmental, School or University service not specified above. (Please indicate level of activity and time commitment.)
